Learn about T-Mobile's nationwide 4G coverage

\*With a new two-year contract on a qualifying plan.

† Savings based on comparison of \$79.99 Even More Unlimited Talk & Text & Web plan against comparable postpaid plans for smartphones from AT&T, Verizon Wireless and Sprint; does not include taxes and fees. Plan features and limitations may vary. Data as of March 2011.

T-Mobile's HSPA+ 4G network not available everywhere. See coverage details. Limited-time offer; subject to change. Unlimited features for direct U.S. communications between two people. Credit approval, \$35 per line activation fee and new two-year agreement or contract extension required; up to \$200/line early cancellation fee applies to two-year agreements. Data: Data speeds slowed after 2000 MB per billing cycle. Capable device required to achieve 4G speeds. Your data session, plan, or service may be slowed, suspended, terminated, or restricted if you use your service in a way that interferes with or impacts our network or ability to provide quality service to other users, if you roam for a significant portion of your usage, or if you use a disproportionate amount of bandwidth during a billing cycle. You may not use your plan or device for prohibited uses. Messaging: You will be charged for all messages you send and that are sent to you even if they aren't received. Length/size of messages may be limited.
